

CHURCH FAMILY DIRECTORY

We produce a church family directory with contact details of everyone who considers themselves to be part of the TBC church family and who wishes to be included. This can contain names, address, phone numbers, email addresses and a photograph if you wish. The directory is available to everyone who is included in the directory on a trust basis—should you move on from TBC or when a newer directory is issued we ask you to destroy the old one or return it to us to do so.

You can ask to be added to the church database so we can stay in contact with you and opt not to be in the directory, but you can't be in the directory unless you are on the database.

DATA PROTECTION

We collect and store this data in line with data protection legislation as it is in the legitimate interests of TBC to enable us to contact you and to keep an eye on the make up of the church family in terms of spread of ages and other demographics.

The information given on this form will be stored electronically. Email addresses will be added to the appropriate mailing lists if you tick the box—you can unsubscribe from these at any time. Our full Privacy Statement and Data Protection Policy can be available on our website or on request.

with Thornhill Baptist Church

Church is like a family. It's a place to belong, a place where you know you fit and are valued and have a part to play. It's a place where you know others and are known.

We want to record who is part of our family so we can keep in touch with you. If TBC is your church, if you feel like your spiritual home is here, then please use this leaflet to add your contact information to our church database so we can stay in touch.
